

Koi transport tank to fit into the back of a Landrover 110 Hard Top.
Johan Jacobs – 082 552 5852
Johanj01@telkomsa.net OR
Johan.jacobs@gartner.com

Sides and bottom section from "A" around the bottom to "B" must be made from one piece of material to minimize seams.

Total water capacity
calculated at +/- 1047 litres
or just over 1 ton
