Koi Show September 8-9 2007

This letter introduces the ZNA Potomac Koi Club. We are one of ten U.S. koi clubs that are affiliated with the Zen Nippon Airinkai in Japan. We are also affiliated with the Associated Koi Clubs of America. We are a Metro-DC based club for hobbyists who are serious about the health and appreciation of nishikigoi but we also welcome new folks and novices who are just getting started in the hobby. Each year we sponsor a variety of public and educational activities including health clinics, pond tours, young koi auctions and service projects such as our years of work with the koi at the U.S. National Arboretum.

We are now in the final stages of plans for our 14th Koi Show scheduled for September 8 & 9, 2007. This show will take place at the Meadowlark Botanical Gardens in Vienna, Virginia which is located between downtown Washington, D.C. and Dulles Airport. This is a magnificent venue and prime destination, covering more than 95 acre's with gardens and other related features. We are excited about this location and although this is our first year at this venue we anticipate a record public turn out for our show. Because we can not charge any admission to the show, we are seeking your generous support to help underwrite the costs of this undertaking. We are planning to hold a "super koi show raffle" and solicit your donation of koi or water gardening supplies or equipment. You will get a specific acknowledgement in the show brochure as well as the prominent display of your donations in our well lighted exhibit hall. Any literature of material highlighting your products or company will be displayed alongside your donations.

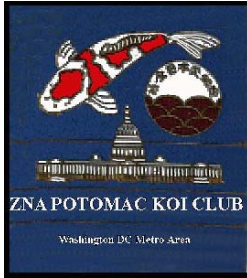

We are also in need of new 6' Pearls of Paradise show tanks. If you would like to donate a show tank your companies name and website will be placed on a sign and hung from the side of the tank and remain there for the life of the tank. This means that anytime we use this tank you will be receiving advertising.

We are a qualified IRS Section 501(c)(3) organization and donations to our effort is tax deductible. Donations may be shipped to:
